

# BERNARDI'S

## History

The Bernardi Family has been in the restaurant business since 1933 when Nildo Bernardi purchased a beer parlor, presently known as Mona's Italian Restaurant, located in Toluca, Illinois. Mona's has evolved into a famous 260 seat casual dining restaurant. In 1965, Mr. Bernardi purchased Capponi's Restaurant from his long time friend and competitor Leno Capponi. Capponi's has also grown to a seating capacity of 220 people.

Through the years, both restaurants have built a grand reputation for their delicious food and quality service. We are now in our third generation and fifth location!! The Bernardi Family once again will offer their guests GREAT FOOD, GREAT SERVICE, and a GREAT EVENING OUT!
